

We Want To Get Married!

The elders of Harvest Bible Chapel have established guidelines for couples who wish to be married by a Harvest pastor.

1. Both the bride and groom must be followers of Jesus Christ and one must be an active member of Harvest Bible Chapel in Barrie.
2. Couples must complete the six class premarital course as prescribed by the elders.
3. It is the couple's responsibility to secure a location for the wedding ceremony subject to the approval of the pastor who is performing the marriage.
4. Our pastors are happy to help you celebrate your commitment before God, and they do so on their own time. If there are any expenses involved, such as out of town travel or hotel accommodation, it is anticipated that these expenses will be covered by the couple.

Currently, none of our pastors are licenced to perform marriages. Our recommendation is that couples get a civil marriage through city hall and, in tandem with that, arrange for a church marriage.

Harvest Bible Chapel affirms the biblical standard of marriage being one man and one woman bound together in a lifelong monogamous union.
