

Hello!

We are so excited that you are ready to take the next step in your walk with Christ and share with others the commitment you have made to him. Please contact me ([afotherby@harvestbarrie.ca](mailto:afotherby@harvestbarrie.ca)) or check out the Harvest Master Calendar (available online) to find out when our next baptism service will be.

The Sunday before your baptism there will be a baptism orientation class during the 9 a.m. service. This class gives you a chance to meet with Pastor Roger and review your story of how you came to Christ with him so that you're fully prepared for the following Sunday.

Each baptism is about a minute and a half. Since this is a significant day in your walk with Christ and our time is limited, we want to help you to communicate your story in the most meaningful way as possible. At the baptism orientation Pastor Roger will help you go over your story and the questions you will be asked. I have also attached a form for you to fill out that will help you in developing your story.

Please let us know if you are able to attend the baptism orientation.

If you have any questions please don't hesitate to ask!
