

Small Group Member Covenant

1. I will make my small group meetings a priority, and if I'm unable to attend or am running late, I will call ahead.
2. I will come to my small group meeting prepared and ready to participate.
3. I will encourage other members to cultivate daily times with God.
4. I will make myself accountable to the members of my small group concerning my personal and spiritual goals.
5. I will seek to maintain confidentiality of the personal information that is shared in my small group. I understand that my Small Group leader reserves the right to contact the flock leader or pastor if there is a situation that he/she doesn't know how to handle, a person is being harmed, or if there is ongoing unrepentant sin.
6. I will help create a safe place for each member to share with no judgments attached.
7. I will commit to a small group, which is open to new members and will multiply as God allows it to grow in numbers.
8. I will pray for the leaders, apprentices and members of my small group.
9. I will pray for the pastors and staff of Harvest Bible Chapel to continue to seek God's direction for this ministry.
10. I will take ownership of my responsibility of being faithful, accountable and teachable in my small group.
