

Biblical Soul Care Covenant

Believing we are called to serve one another through love, I covenant before God:

- to being Authentic, Transparent and Vulnerable,
- to keep an open heart to God and to others,
- to engage myself and others with God's Word for direction,
- to rely on the Holy Spirit as the true Counselor,
- to praying at all times, and at any time in the counseling process,
- to maintaining the involvement of the community in the counseling process,
- to communicate with my advocate team,
- to accept direction from my team, my advocate, my supervisor, and my Pastors and Elders,
- to admit when I need help personally and in counseling others,
- to continued personal training and growth in my ability to counsel.
