

# October 13, 2013 - The Holy Spirit: Working In Me For Support

## Small Group Questions

1. How does the knowledge that my body is the temple of the Holy Spirit change my thinking about God's nearness to me? What are the implications of the nearness of God for my relationship with him? Am I drawing near to him?
2. God's power is inexhaustible, extraordinary, and indispensable. Am I being empowered by God daily? How can I tap into the power he wants to strengthen me with?
3. Three ways were listed of how the Holy Spirit comforts me: through the church (one another), through the Word, and through worship. Give a brief story of a time the Holy Spirit comforted you through these things.
4. God fulfills his will for me. How would knowing God's perspective on your specific circumstances change the way you think about your circumstances and act within your circumstances.
