All great change begins with prayer. Am I experiencing transcendent change myself?

Am I filled with the knowledge of his will? (v. 9)

Am I seeing the results of God's work in me? (v. 10)

Am I growing strong no matter what comes at me? (v. 11)

Am I overflowing with a sense of gratitude? (v. 12)

Am I resting in the hope that is mine? (v. 13-14)
