## GROUP DISCUSSION QUESTIONS

1. How many of your non-believing friends, with whom you might discuss spiritual matters, approach Christmas as though it is based on mythology? How would they react if you said that you absolutely believed the miraculous parts are objectively true?
2. Have you considered that Mary's conception of Jesus is a "lesser miracle" than the creation of the universe? How is it helpful for Christians to see that what happen inside of Mary's womb is a creative act of the Holy Spirit?
3. What did this message help you understand better about why Jesus was incarnated? What insight do each of these verses explain about the purpose of Jesus' incarnation? (Hebrews 9:22, 2 Corinthians 5:21, Hebrews 4:15)
