GROUP DISCUSSION QUESTIONS

As we wrap up this series we come to heart of Gospels and invitation to believe what is written about Jesus. Believing matters. There's more to this story than a baby in a manger.

1. As a Christian, how does Jesus influence your perspective on what is good, evil, right, or wrong?
2. As a Christian, how does Jesus influence the way you think of yourself?
3. As a Christian, how does Jesus influence the way you value and treat other people?
4. As a Christian, how does Jesus influence your understanding of the meaning of life?
5. If you are not a Christian, why does rejecting the claim that Jesus is the Messiah and God continue to matter to you? What would change if you began to believe the Gospel accounts?
