

# ALL NATIONS WILL COME

REVELATION 15:1-8 // TODD DUGARD  
JANUARY 29, 2023

***Every end time event points to a God who is (15:1) great in his otherness! (15:2-3b, 5-8a); I will fear him! (15:4a), and amazing in his nearness! (15:3c, 8b); I will worship him! (15:4b).***

## GROUP DISCUSSION QUESTIONS

1. Do you think the world is moving closer to peril, as the recent doomsday clock adjustment suggests? Why are why not? What does Revelation 15:1 say will ultimately bring an end to the world?
2. ***Revelation 15 contains a praise song to God crafted to honour him, describing his character with eight traits or titles. Additionally, three statements explain how all people will respond to him.*** Think of each statement in the song and consider why the words could not be applied to you or anyone else. List all the character traits, titles, and responses you see in the song lyrics (Revelation 15:3-4)

3. ***The right response of a true Christian to who God is and what's happening in the world and in our lives is "profound reverence, respect for God, awe bordering on fear."*** In what ways does your life reflect that fear? Where does your reverence show up outside of worship services?

4. ***Even though God is superior to us in every way, he is near to us. This will become abundantly clear after Jesus returns.*** Until he returns, what are some ways to know that God is close? Where do you look for God when life is challenging?
  
5. ***We don't have to worry about the time on the doomsday clock if we spend our lives worshipping Christ.*** How many of your 10,080 minutes a week are devoted to quality time spent truly worshiping with both fear and love for God? How would you improve on what you already do to worship God?
