## GROUP STUDY QUESTIONS

- 1. Why did the Jerusalem church select Barnabas in specific for this task? (Read Acts 5:36-37 related to his name)**
- 2. Read Acts 11:23. Barnabas saw the grace of God in the lives of other believers. What do you think he saw in their lives? How can we be aware of God's grace in the lives of other Christians?**
- 3. Pastor Todd said conversion includes not only faith that God exists, or even merely that facts of Christianity are true, but a turning. Why do people find repentance so difficult?**
- 4. How does a church remain faithful to doctrine while staying culturally aware? What is the difference between reaching the next generation and giving in to cultural corruption?**
- 5. How can we be mindful in helping reach the next generation? How can we allow God to use our wisdom, experiences, talents, etc to teach them?**
